

Sacandaga Bible Conference

December 2009

Reaching kids for Christ since 1936

Please be in prayer for Sacandaga

- Pray for God's direction for the future of SBC.
- Pray for the board of directors.
- Pray for the executive director and staff
- Begin praying now for Godly summer staff desiring to serve Him.
- Pray that SBC would be a place that always brings honor and glory to our Lord and Savior Jesus Christ.
- Prayerfully consider being a monthly sponsor of the ministry or perhaps giving a special gift to help further the ministry here.

As everyone receives this newsletter, just imagine the number of people all praying together for SBC.

Mid-winter Praise Report

Isaiah 9:6 "For unto us a child is born, unto us a son is given: and the government shall be upon His shoulder: and His name shall be called Wonderful, Counselor, The Mighty God, The Everlasting Father, The Prince of Peace." KJV

As we celebrate Christ's birth, we praise the Lord for all He has been doing here at Sacandaga Bible Conference. We praise the Lord for a full dining hall for our Christmas banquet and concert. We have been blessed with support, volunteers and encouragement. For those who have supported this ministry with your prayers, finances and/or your time we are very thankful and praise God for you. I am amazed every day as I see God using people to further His ministry. Please keep allowing God to use you.

My family and I have recently arrived here at SBC as I took on the role of executive director. We thank the Lord for those who have helped SBC through this time of transition. Sacandaga has been on our hearts for many years. We are excited to see God use Sacandaga to minister to young and old alike. The camping ministry has a special place in my heart as God greatly used it in my life as a young person and even now. I accepted the Lord as my Savior at the age of 6 and dedicated my life to His service at the age of 16 at a Christian camp.

Please consider helping financially with the operating expenses of this ministry. As you give, it allows us to continue the ministry of Sacandaga. We are committed to using Sacandaga as a tool to evangelize, disciple and encourage fellow believers. When I reflect back on the many years of ministry here, I am amazed at how many lives have been ministered to on these grounds. It is our desire that God would use us and this facility for His honor and glory. We desire to see many more come to a saving knowledge of Christ.

I would love to meet and get to know all of you. Please stop by SBC for a visit. We would love to have you. Or, if you would like me to share the ministry of Sacandaga in your church, please give us a call. May God bless you during this holiday season.

Serving Christ,

David Spencer
